

PLAYER SPONSORSHIP

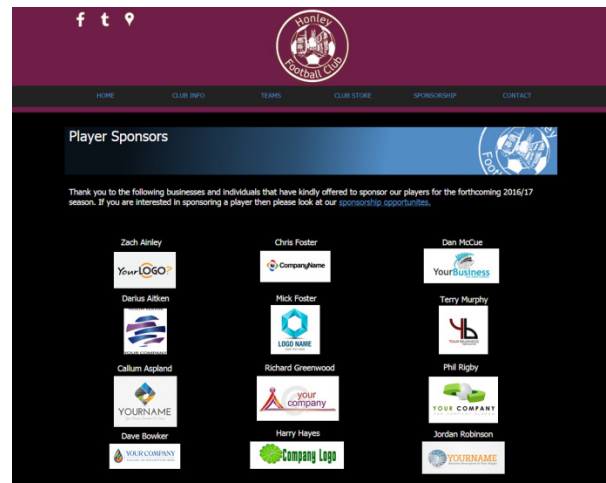

WHAT IS IT?

Each year we ask our players to find a sponsor for the forthcoming season. The money raised supports and sustains the Club and ensures our continued existence at a time when many others struggle. The Club is very keen to foster partnerships with potential businesses and sponsors, who can take pride from supporting an ambitious and successful local football club whilst at the same time raising their company profile.

WHAT DO I GET?

1

Your Company logo will be shown on a dedicated section of the Club's website, along with a link to your website.

2

We will regularly promote your company through our social media streams by both re-posting your comments and referring our followers to your website.

3

We will link to your social media streams whenever the player you opt to sponsor either scores or receives Man of the Match.

WHAT NOW?
